SUBJECT: Character Reference- GITO JEZREEL

It is a pleasure to write this reference for GITO JEZREEL who has completed his studies at St. Xavier's Secondary School in the year-2022.

Jezreel was a student of mine since 2021 thus I knew him well. He has an outgoing personality and is friendly to many of his peers and teachers. He has also exposed the ability to perform at an above average level and with significant quality.

His working habit is exceptional. He possesses the ability to work with minimal supervision and for a longer period. His performance at St. Xavier's Secondary School signifies a brighter future career.

Having known him well and the ability he has in accomplishing task, I strongly recommend him for your offer.

Thank you for the time and consideration.

Yours faithfully

Mr. J.D.MOM
